## Website Design/Redesign

All sites designed by WWD are custom tailored to your needs, therefore we do not go by a standard guide of what to charge you for x amount of pages, images, etc. We work with you on an amount that comfortable for both you and with us! While WWD does not host sites that are created (yet), we can work with you in finding a suitable place to host your site at a reasonable price (this is included in the estimate).

Pricing depends on the situation and the need. We are flexible with what you can afford! If you'd rather do a lump sum, that works too! Please contact us and don't hesitate to ask what we can do for you. Our goal is to create beautiful sites with a client base that is happy with our work and will spread the word! A deposit of at least **\$100** is required for a site. This is for three reasons: it is incentive for WWD to do your website, we will be compensated for work done if you change your mind and decided NOT to go with us or the design, and it is used to buy images from iStockphoto or wherever else we may find something to use on your site).

Maintenance and management of your site is FREE for the first year (**\$100**/year after that). This includes quick tasks, like uploading a book cover, small HTML fix, creating a graphic, etc. However, work that may take more than just a few minutes to update like creation of several new pages, addition of a poll or guestbook, extensive HTML work, etc. will be charged at our current hourly rate. So, if it takes an hour or more, we'll charge you. Of course, we'll ALWAYS accept payment even for the little stuff! ☺

## MySpace Layouts

Need a MySpace layout with your website? No problem! We will include a custom, matching MySpace design to go along with your website! Want a MySpace but already have a website (not built by us)? We can create a custom MySpace tailored to your desires that is completely unique to you and will not be used on anyone else's MySpace page!

## Bookmarks/Postcards/Business Cards

We also offer services in designing bookmarks, postcards, business cards and book covers! It includes a custom logo/graphic if needed. Other sites can charge upwards of \$99 for a custom logo/graphic! If you are a current client with us, you will receive \$10 off!

## Book Covers

For a complete list of what book covers we've done and to get an idea of what we can do for you, check out our website!

## Payments

We prefer to accept payments via  (we can invoice you), but will accept Cash, Checks, and Money Orders.
